Youth & Junior Team ranking Belgian-Open :

There will be a youth/junior team ranking. Three or four gymnasts form a team. It is a combined Team ranking for Junior and Youth A and Youth B. Each Team will perform four routines in total:

2 x Straight-Line

1 x Spiral

1 x Vault

These routines are the routines from the individual competition that are counted for the team ranking. Therefore all gymnasts registered for the team ranking must also take part in the individual competition.

The routine with the lowest score will not be counted for the final team score.

Each participating club/country is allowed to register as many teams as they want, whereas no gymnast is allowed to compete for more than one team.
