There will be a youth/junior team ranking at the Belgian Open. It is a combined team competition for Youth B, Youth A and Junior. Each team enters a total of 6 routines:

2 x straight

2 x spiral

2 x jump

These routines are the routines from the individual competition that are counted for the team ranking. Therefore, all gymnasts registered for the team competition must take part in the individual competition.

The routine with the lowest score will not be considered for the final team score.

Each participating club/country may enter as many teams as they wish, but no gymnast may be entered in more than one team. In addition, no gymnast may be entered for more than 2 events in the team ranking. This results in a team size of 3 to 6 gymnasts.
